WORK EXPERIENCE

Jewelry Designer & Sales

Jul 2018 – Oct 2025

Tamas Jewelry Co., Ltd. — Bangkok, Thailand

- Collaborated effectively with design, production, and manufacturing teams to deliver high-end custom jewelry projects on schedule and within quality standards.
- Identified and resolved complex design and technical issues during the luxury jewelry manufacturing process to maintain a seamless production workflow.
- Translated client requirements into hand-drawn jewelry design proposals, managing iterative revisions and approval workflows based on client feedback.
- Communicated and consulted directly with high-net-worth clients for luxury jewelry sales (100,000+ THB/transaction), building long-term trust through structured problem-solving.
- Managed end-to-end digital content for corporate brand accounts, producing over 90 articles, videos, and visual assets to scale audience engagement to tens of thousands.

Jewelry Designer

Jun 2016 – Mar 2018

Dehres (Thai) Co., Ltd. — Bangkok, Thailand

- Designed customer-focused jewelry for an international company, liaising with factory partners to enforce quality production standards.
- Handled client consultations for custom jewelry projects, effectively coordinating between design and production departments to maintain seamless workflows.
